 - The last meeting was held at the Northwest Reno Library small conference room. We covered a lecture series on long term water storage, filtration and urban sources. Frank Freeland with assistance from Paul Rusch conducted the home security lecture as part one of three parts.
 - It was decided to have another meeting and continue to post on APN. Additionally it was decided that I would build a site per APN's request that APN can map to for other Preppers in the area to be able to locate us and our meeting times. Community based excessive advertising of the group would be avoided.
 - The next meeting will cover Traveling and Vehicle Security and Defense and a lecture series on Advanced First Aid at a Wilderness Level to be trained by Mike Glock's brother.
 - The Reno Preppers Expo did not occur and turned out to be a bust.

- The meetings will continue monthly but the date was to be determined in August. Everyone agreed not to have a meeting in July due to everyone's busy schedules.
