

4. Budget:

This is an extremely important part of the process. A budget is a good idea for all financial matters, but is even more so when trying to get ready for things that

Prepping 101 by Jerry D Young

They tend to be expensive, so set up a long range budget and start saving

9. Medical:

Ockpvckpkpi" gxgt{qpgøu" iqqf" jgcñvh should be a priority all the time. But in

mind at all times, and your chances of surviving even some very desperate situations are much higher than the norm.
